### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The Examiner has little to add to applicant's latest Response and 132 Declaration of David Niemuth, the latter document in particular presenting arguments which clearly rebut the Examiner's position that there is ample motivation available to one of ordinary skill to utilize both a temporary and a permanent adhesive on the claimed rotatable label system in the manner applicant has done; note also the arguments presented in the Response concerning the above issue, particularly in the paragraph bridging pages 13 and 14 of the Response. Finally, the Examiner notes that the Fumei reference was utilized earlier in the prosecution but was not relied upon in the last Office Action..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
